Welcome Message

Dr. Sumaya AlZarooni

Dr. Suad Sajwani

Dear Colleagues,

It is with great pleasure and honor that we invite you to attend the **2nd EHS International Critical Care & Organ Transplant Conference**, to be held from February 14th to 16th, 2025, at the prestigious InterContinental Festival City, Dubai, UAE.

This exceptional event marks a significant milestone in the field of critical care and organ transplantation, as we come together to explore the latest advancements, foster collaboration, and shape the future of these vital medical disciplines. The conference will showcase nationally and internationally renowned faculty and content sessions focusing on the most up-to-date, evidence-based advancements in critical care medicine and organ transplant.

The organizing and scientific committees have curated a remarkable program that will feature renowned experts, thought-provoking keynote presentations, interactive panel discussions, hands-on workshops, and engaging poster sessions. This multidisciplinary platform will provide you with invaluable opportunities to learn, network, and engage in stimulating dialogues that will undoubtedly drive progress in critical care and organ transplantation.

Dubai, a global hub for medical innovation and research, serves as the perfect backdrop for this conference. As a city that seamlessly blends tradition and modernity, Dubai offers a dynamic environment where you can not only immerse yourself in the latest developments in the field but also experience the vibrant culture, iconic landmarks, and culinary delights that make it a truly unique destination.

Your participation in this landmark event is crucial, as your expertise, insights, and collaborative spirit will be instrumental in advancing the field and addressing the pressing challenges faced by healthcare professionals worldwide. We are confident that your attendance will be a memorable and rewarding experience, leaving a lasting impact on both your personal and professional growth.

We cordially invite you to join us at the 2nd EHS International Critical Care & Organ Transplant Conference, where we will collectively explore, innovate, and forge a path towards a healthier future.

We look forward to welcoming you to this exceptional gathering.

Best regards,

Scientist Brigham and Women's Hospital, USA

Learning Objectives

- Discuss advances, cutting-edge information, innovative technologies, and strategies in critical care medicine.
- Explore breakthroughs in research and stimulating ideas in critical care medicine.
- Identify new evolving challenges and controversies in the critical care setting.
- Discuss critical care topics and network with peers on various professional, career, and leadership subjects.
- Apply knowledge of new topics and guidance in critical care medicine to daily practice.
- Improve patient care and outcomes during the most crucial time

Who Should Attend

- Critical Care Physicians
- PICU Physicians
- Anaesthesiologists
- Internal Medicine
- Surgeons
- Emergency Medicine Physicians
- Cardiologists
- Gastroenterologists
- Hepatologists
- Nephrologists
- Hematology/Oncology physicians
- Paediatricians
- Pain Physicians
- Family Medicine physicians
- General practitioners
- Pharmacists
- Respiratory Therapists
- Residents and fellows
- Specialist nurses and therapists
- Healthcare providers
- Any Medical professional interested in Critical Care

Reasons To Attend

- ACCESS the best-in-class program in Critical Care delivered by experts in the field.
- LEARN new frameworks and skills that can be implemented in your practice.
- EXPERIENCE incredible networking opportunities.
- ASK questions, challenge thinking.
- JOIN a community of change makers working to build a better world

Key Features

- State of the art lectures
- Keynote presentations by renowned speakers
- Poster presentations
- World class exhibits
- Interactive sessions
- Case discussions
- Hands-on workshops
- Platform for global networking connecting scientific community

Highlighted Sessions

- Advancements in Mechanical Ventilation
- Infection Control in Critical Care
- Sepsis: Early Recognition and Management
- Respiratory Care
- Hemodynamic Monitoring and Cardiovascular Care
- Neurocritical Care
- Renal and Fluid Management
- Critical Care Pharmacology
- Nutrition and Metabolic Support
- Role of ECMO in Critical Care
- Palliative Care in the ICU
- Post-Intensive Care Syndrome (PICS)
- Quality Improvement and Patient Safety
- Interdisciplinary Collaboration and Teamwork
- Innovations in Critical Care
- The Impact of AI and Machine Learning on Critical Care
- Psychosocial Aspects of Critical Care
- Ethical and Legal Issues in Critical Care
- Role of Telemedicine in Critical Care

Workshops

- Neurocritical Care Monitoring
- Advanced Hemodynamic Monitoring
- Basic Critical Care Ultrasound and Echocardiography
- Continuous Renal Replacement Therapy (CRRT)
- Mechanical Ventilation

Course

- XXX

It's incredible to see healthcare professionals, experts, and researchers from all over the world gather to exchange knowledge, share insights, and drive advancements in the field of Critical Care and Organ Donation & Transplant.

Why Delegates Attend

1st EHS International Critical Care and Organ Donation & Transplant Conference

Delegates Feedback

Event Testimonials

It was such a good experience especially the AI and Machine Learning on Critical Care Session

Dr. Ahmed Mamdouh Ali

Internal Medicine Specialist at EHS Sharjah UAE

It was excellent opportunity to increasing care for critical patient

Dr. Alexander Lopez Romulo

Nephrologist Specialist at NMC Abu Dhabi UAE

The Advancements in Mechanical Ventilation session at the conference provided valuable insights into the latest techniques and technologies, enhancing my skills in managing ventilated patients

Dr. Ousama Jarrad - Consultant Anesthesiologist at Kalba Hospital, UAE

Attending the 1st EHS International Critical Care & Organ Donation & Transplant Conference was a transformative experience that deepened my commitment to providing exceptional care to critically ill patients

Dr. Srinath Dhandapani - Specialist Pulmonologist at Emirates Health Services Fujairah UAE

The conference organizers did an excellent job of curating a program that encompassed the most relevant and pressing topics in critical care and organ transplantation

Dr. Sandhya Anil - Anesthesia Technician at Al Qassimi Hospital Sharjah UAE

The Infection Control in Critical Care session highlighted crucial strategies to prevent and manage infections, empowering me to create a safer environment for my patients

Dr. Eman Abdallah Abdelfattah - Critical Care Specialist at Saqr Hospital Ras Al-Khaimah UAE

Attending the Neurocritical Care session broadened my knowledge of neurological emergencies, empowering me to deliver specialized care to patients with acute brain injuries

Dr. Nozad Darwich - Specialist Urology at Saqr Hospital Ras Al-Khaimah UAE

The conference sessions provided a comprehensive overview of the latest advancements and best practices in critical care and organ donation, equipping me with valuable knowledge to enhance patient outcomes

Dr. Abdalla Kamal Abdalla Taha - Critical Care Medicine Specialist at SKGH Umm-Al Quwain UAE

It allowed me to connect with experts and peers in critical care and organ donation, fostering collaborations and creating a supportive professional network.

Dr. Magdy Imam Abdelalem Taha Mohamed

Consultant anesthesia & intensive care at EHS Saqr Hospital RAK UAE

As a nurse, the 1st EHS International Critical Care & Organ Donation & Transplant Conference was a remarkable opportunity to learn from experts in the field, enabling me to improve my skills and contribute to better patient outcome. **Mohammad Alhajj Naser** - Registered Nurse at Kuwait hospital Sharjah UAE

ECMO in Critical Care expanded my understanding of extracorporeal life support, broadening my treatment options for patients with severe cardiopulmonary failure

Dr. Neama Ahmed Gado - Anesthesia consultant at SKGH Ajman UAE

Event Testimonials

Great job. The conference exceeded my expectations in terms of the breadth and depth of knowledge shared. **Dr. Sherif Khalifa**
Senior Specialist Anesthesia at Latifa Hospital Dubai UAE

It was excellent opportunity to increasing care for critical patient
Dr. Alexander Lopez Romulo
Nephrologist Specialist at NMC Abu Dhabi UAE

Excellent quality conference. The diverse range of topics covered at the conference, including mechanical ventilation, infection control, and sepsis management, addressed the core challenges faced in critical care, providing practical solutions. **Dr. Syed Asif Zaidi** - Specialist at SSMC Abu Dhabi UAE

The hemodynamic monitoring and cardiovascular care session enabled me to make informed decisions for optimal patient management. **Dr. Selvaraj Shanmugaraj**
Cardiac Anesthesia at DHA Dubai UAE

Overall, an excellent experience.
Dr. Hussein Mahmoud Ali
Consultant Anesthesia at AQWCH Sharjah UAE

Exploring ethical and legal issues in critical care provided me with a deeper understanding of the ethical dilemmas that arise in the critical care setting
Dr. Natnael Fekadu Tekle - General Practitioner at Burjeel Medical City Abu Dhabi UAE

ECMO in Critical Care expanded my understanding of extracorporeal life support, broadening my treatment options for patients with severe cardiopulmonary failure
Dr. Neama Ahmed Gado - Anesthesia consultant at SKGH Ajman UAE

I attended 2nd day CRRT section it was well organized and informative. And they included a narrative section in each topic.
Roopesh Kumar - Dialysis Technician at Amana Healthcare Abu Dhabi UAE

The conference sessions were engaging and interactive, encouraging active participation and facilitating the exchange of ideas among attendees
Dr. Rashed Thabit Awadh Abdullah - General Practitioner at Alkuwait Hospital Dubai, UAE

It was an amazing conference. The interactive workshops offered at the 1st EHS International Critical Care & Organ Donation & Transplant Conference provided practical skills and techniques that I could immediately apply in my clinical practice.
Dr. Asad Ur Rehman - Specialist Internal Medicine at EHS Al Qassimi Hospital Sharjah UAE

It reaffirmed my passion to women's health, expanded my horizons and imbued me with a renewed sense of purpose and determination to make a meaningful impact in the lives of women and families around the world
Sereana Nasova - Assistant Nurse Manager at Amana Health Care Al Ain UAE

It was wonderful experience I would like to attend yearly. The conference was an invaluable opportunity to learn from experts in the field and exchange knowledge with fellow healthcare professionals. **Dr. Rim Habib** - Physician at SKMC Abu Dhabi UAE
